Use Cases

PLAN, FUND, STAFF, EXECUTE AND CONTROL YOUR PROJECTS

Regardless of how you have managed projects in the past, with a classic, agile, or hybrid method, Clarity can handle any kind of project management.

CHOOSE THE RIGHT PEOPLE FOR THE RIGHT INVESTMENTS

Clarity helps you ensure optimal resource utilization and identify bottlenecks within as well as across multiple projects. This makes your planning realistic and reliable.

MANAGE ALL YOUR PORTFOLIOS, ROADMAPS, INVESTMENTS AND VALUE STREAMS

Make good and well-informed decisions to align all investments with your long-term strategy, company values, objectives and key results.

Types of Services

IMPLEMENTATION

We implement Clarity smoothly, address your specific use cases, and help manage change within your organization.

HOSTING & OPERATION

We take care of the hosting and operation of your application, leaving you with nothing to worry about.

CUSTOMIZATION & BEST PRACTICES

We adapt Clarity to meet the needs of your company, and develop reports as well as interfaces.

SUPPORT & TRAINING

We are there for your users. Whether it be with our 2nd and 3rd level support or our training courses.

Solutions Areas of Expertise

With itdesign, you will receive a complete package of long-term expertise, outstanding service, and a real partner you can rely on. We stand by our customers and assist them throughout the entire process with Clarity – from implementation to hosting, application management, training, and support. In addition to technical implementation, you benefit from our best practices and professional know-how.

itdesign's total reliability has been one of the bases of our successful partnership, and this has been further bolstered by the strong relationship of trust. We communicate very openly with each other. Suggestions are not simply immediately rubber-stamped. They are critically scrutinized. But itdesign also has incredible expertise that is second to none in Germany.

ROLF SCHMIDT, HEAD OF PROJECT MANAGEMENT CENTER OF EXCELLENCE AT UNTERNEHMENSGRUPPE THEO MÜLLER

Our relationship with itdesign is based on mutual trust and respect. In addition to offering technical expertise, itdesign also proved to be a terrific sparring partner. When it comes to process-related topics, itdesign provides us with innovative and unique ideas all the time, and helps us with new solutions and great input. Moreover, itdesign practices what it preaches.

ANDREA OBERNOLTE, PROCESS OWNER AT SGL CARBON GMBH

How we can help?

We can advise, operate, develop, train and support you, and provide what you need. This makes us your long-term and reliable Clarity partner.
